FOX FACES dataset – USER AGREEMENT

This user agreement applies to the FoxFaces dataset.

This data is kindly provided by Lille 1 University. The corpus was collected and labelled by FOX research group at CRISiAL research center, Lille 1 University, France. It has been released by Lille 1 University under specific conditions for sole scientific, non-commercial use.

In the following, the term “the dataset providers” includes all mentioned parties: the data providers, Lille 1 University, and FOX research group.

Conditions of release.

• The FoxFaces dataset is provided without guarantee.
• No legal claims of any kind can be derived from accepting and using the FoxFaces dataset.
• The corpus providers are not liable for any damage resulting from receiving, installing or using the FoxFaces dataset or other files provided in this context.
• Expressed written consent must be sought from at least one party of the corpus providers before the FoxFaces dataset or any other files provided by the corpus providers containing information derived from it (e.g. labelling files etc) are passed on by the licensee to any third party.
• The dataset is provided for a duration of 3 (three) years from the date of signature of the agreement. After this delay, the licensee must destroy her/his local copy of the FoxFaces dataset. Alternatively, s/he may sign another agreement if needed, in order to extend this duration with 3 extra years.
• If a licensee concentrates on labelling, s/he agrees to share with the dataset providers additional analyses, especially additional annotations.
• Any models derived using data from the FoxFaces dataset may only be used for scientific, non-commercial applications.
• The licensee will let the dataset providers know of any results without undue delay. Joint publications (between the licensee and at least one member of the corpus providers) should be aimed at.
• For publications concerning direct or indirect use of the corpus, the licensee should cite the following reference.

Note that the agreement must be signed by a permanent staff member of your research institute, such as a Professor or an Associate Professor.
User Agreement Consent Form
The FoxFaces dataset

I have read and understood the user agreement and will comply with it. In particular, I have read and understood that the data may only be used for scientific, non-commercial applications.
